

SIMPLY THE MOST AFFORDABLE AUTOMATED TIME CLOCK SYSTEM AVAILABLE TODAY.

PAYCLOCK EZ

THE TIME CLOCK FOR THE 21ST CENTURY!

This automated time and attendance system offers big business efficiency at a small business price. Designed for small businesses with up to 50 employees*, Lathem's PayClock EZ automatically calculates total worked hours including overtime. The system consists of an attractive badge reader terminal and easy-to-use Windows® based time and attendance software. Employees punch in and out at the terminal with reusable credit card style badges rather than time cards. Payroll data can be printed to reports from your PC or interfaced directly into your payroll software. Standard payroll interfaces include ADP®, Paychex®, QuickBooks® PRO and more! Kit includes everything you need to get started!
